Chapter 1 by spbwhat

Kayla Oakland is a College Junior who has always wanted to live abroad, but she left that dream behind the day her niece Faith was born. Faith's mother (Kayla's older sister) wasn't ready to have a baby so the custody of Faith went to Kayla's parents, who had jobs and worked constantly, so Kayla raised Faith. So naturally when Kayla moved out of her parents house, she took Faith with her.

The countless hours she spent working and continuing to raise Faith while getting a college degree.

Until the day her life changed with one phone call, a once in a life time experience.

Kayla won an all paid trip to England to see Harry Styles live. He had become pretty big since 1D took a break back in 2016. Harry went on to start his solo career, he wrote his own songs and had a lot more creative rights. Kayla has loved Harry styles since she could remember. Now she won VIP tickets to meet him and stand back stage to watch his concert live.

Although it wasn't studying abroad, it was pretty close and she'd take it.
